*Rand article from wiki

Any film may also have a sequel, which portrays events following those in the film. *Bride of Frankenstein* is an early example. When there are more films than one with the same characters, story arcs, or subject themes, these movies become a series, such as the James Bond series. And, existing outside a specific story timeline usually, does not exclude a film from being part of a series. A film that portrays events occurring earlier in a timeline with those in another film, but is released after that film, is sometimes called a prequel, an example being *Butch and Sundance: The Early Days*.

In a strategy called virtual cinema, some film distributors have created new partnerships with small movie theaters and art houses to provide a portion of online streaming sales, including Kino Lorber, Film Movement, Music Box Films, Hope Runs High, and Oscilloscope Labs.⁶⁷¹⁵⁴ Warner Bros. Pictures announced in December 2020 that it would simultaneously release its slate of 2021 films both as theatrical releases and available for streaming on HBO Max for a period of one month.¹⁵⁵ This approach, called Project Popcorn, led to many filmmakers, production companies and theater chains to voice their disappointment and displeasure over the move, especially since they were not informed and consulted with over the move, as well as in regards to contractual and legal obligations.¹⁵⁶ In March 2021, it was announced that Warner Bros. would discontinue same-day releases in 2022, as part of an agreement the studio reached with Cineworld which operates Regal Cinemas, and would instead use a 45-day exclusive release window for theaters.¹⁵⁷ The studio made a similar deal with AMC Theaters in August 2021.¹⁵⁸¹⁵⁹ Paramount Pictures announced that it would release *PAW Patrol: The movie* on Paramount+ on the same day as its theatrical release.¹⁶⁰

On October 3, after *No Time to Die* was delayed until April 2021, it was reported that Cineworld was considering suspending the operations of all of its cinemas in the UK and Ireland, and most US Regal Cinemas indefinitely, citing the lack of tentpole releases as impacting its business.¹⁸⁶¹⁸⁷¹⁸⁸ The company confirmed the move on October 5, with

CEO Mooky Greidinger stating that it was too expensive to continue operating its cinemas without a consistent lineup of new releases having initially planned to hold out until No Time to Die was released, and argued that the continued closure of cinemas in the state of New York has made studios reluctant to release films due to the underperformance of Tenet.¹⁸⁹ The closures excluded seven Regal locations in California that had recently been allowed to reopen.¹⁹⁰
